

# Podiatry Examiners Board

## Description

The Board licenses and regulates Doctors of Podiatric medicine. The Board evaluates the professional competency of podiatrists seeking to be licensed in the State of Arizona and promotes continued competency and fitness by investigating complaints. In addition, the Board holds hearings, monitors activities, and enforces the standards of practice for the podiatric profession.

## IT Vision

Information technology will improve quality and productivity through innovations and process improvements.

## IT Mission

To maximize information technology to ensure that technology efficiently and effectively supports the agency mission to protect the health, safety and welfare of the citizens of Arizona by regulating and maintaining standards of practice in the field of podiatric medicine.

## Goal 1

Enhance Customer Service

### Objective 1

To keep current with new technology trends that will help provide our customers with efficient services.

### Current Situation

The Board currently has a web page, created in FY'03.

### Performance Measures

1	Purchase upgrade equipment to replace current system. Note: This occurred in FY03.					
	Status Complete					
		Target 03	Actual 03	FY 04	FY 05	FY 06
	Category: Input		1	0	0	0
